

**WE ARE FOCUSED**  
ON THE MIDDLE EAST AND AFRICA

Our associates include 19 senior investment bankers, diplomats, lawyers, economists, journalists and academics, each distinguished by a deep sub-region specialization, fluency in local language(s) and demonstrated business acumen. The average in-region experience of Perim experts is 35 years. Most of our clients are governments, law firms and investment funds.

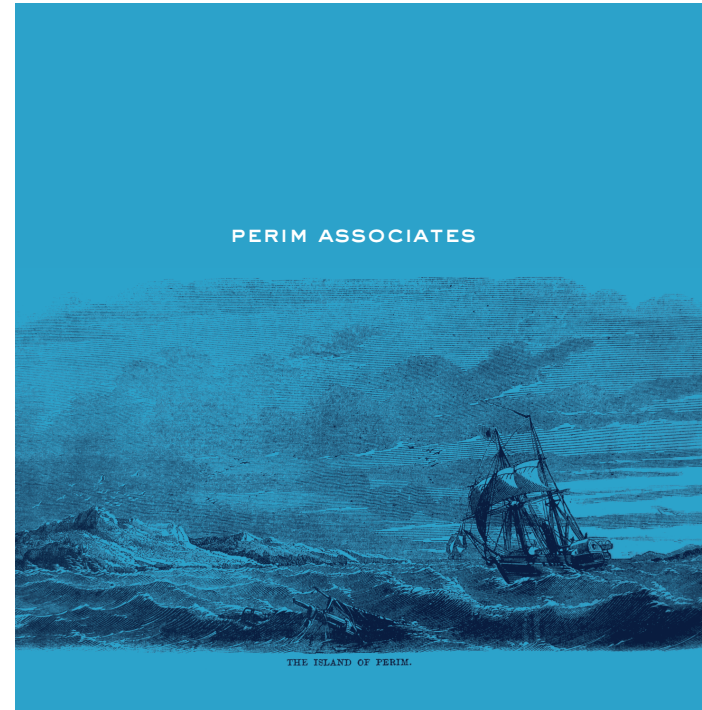

PERIM ASSOCIATES

## WE PROVIDE

EXPERT TESTIMONY, DUE DILIGENCE AND  
SETTLEMENT SUPPORT

## WE MANAGE

EXPERT-LED CONFERENCES AND  
TRAINING SEMINARS

## WE CREATE

ENVIRONMENT AND HEALTH SOLUTIONS FOR  
POST-CONFLICT ENVIRONMENTS

Our expertise has been deployed to support visible commercial disputes involving the construction, transportation and energy sectors, fraud and corrupt practices, asset recovery, Islamic finance, sanctions, and asylum cases.

We are designated organizers and content managers for the 2014 Menafrica Arbitration Conference and the 2015 East Africa Environmental Science and Technology Summit.

We promote and deploy technologies and services with potential to improve lives in unstable and developing regions. Current initiatives include diabetic retinopathy screening, coral reef preservation and monitoring, and acute care clinics. We welcome CSR inquiries.
